We are committed to improving access and facilities for visitors with disabilities.

However, the Zoo is an historical site with stairs in the reptile house, steep slopes on both sides of our tunnels, the woodland walk is not suitable for wheelchairs however wheelchair access is possible around most of the zoo.

Guide dogs and other registered Assistance dogs are welcome at the Zoo. Please call our supporter contact team on 03442 251 826 to notify us if you are planning on visiting with an assistant dog.
